countable / uncountable nouns

ЩО ЦЕ

Countable nouns — іменники, які можна порахувати: *one apple, two apples*.

Uncountable nouns — іменники, які не рахують поштучно: *water, money, information*.

ЯК ВЖИВАТИ

Countable (однина): a / an , one, two books

Countable (множина): many , a few, these apples

Uncountable: much , a little, some water

Питання: How many vs **How much**

Якщо можна поставити число (1, 2, 3) — іменник countable.

ФОРМА

- **Countable:**
  a book / two books / many books
- **Uncountable:**
  water / some water / much water
- Для uncountable часто використовують контейнери:
  a piece of, *a glass of*, *a bottle of*

ПРИКЛАДИ
