adverbs of frequency (often, never)

ЩО ТАКЕ ПРИСЛІВНИКИ ЧАСТОТНОСТІ

Adverbs of frequency показують, *як часто* щось відбувається: **always, usually, often, sometimes, rarely, never**.

КУДИ СТАВИТИ ПРИСЛІВНИКИ

👤 **Зазвичай перед основним дієсловом: We often play tennis.**

🟫 **Після to be: She is always late.**

❓ **В запитаннях — після підмета: Do you often read?**

Типовий порядок у Present Simple: **subject + adverb + verb**: *I usually get up at 7.*

ПОЗИЦІЯ В РЕЧЕННІ

СТРУКТУРА	ПРИКЛАД	ПЕРЕКЛАД	ПРИМІТКА	ЩЕ ПРИКЛАД
Після to be	She is never angry.	Вона ніколи не сердиться.	is/am/are + adverb	They are often busy.
Перед основним дієсловом	They usually cook dinner.	Вони зазвичай готують вечерю.	adverb + V	I always walk to school.
Після допоміжного	You can always ask me.	Ти завжди можеш мене запитати.	can/could/will + adverb + V	I will never forget this day.

Never уже несе заперечення, тому з ним не потрібне *don't/doesn't*.

ПРИКЛАДИ

I always have breakfast.
Я завжди снідаю.

He usually goes to bed at 11.
Він зазвичай лягає спати о 11.

She is never late.
Вона ніколи не запізнюється.

ТИПОВІ ПОМИЛКИ

- ❌ *She always is late* → ✅ **She is always late**
- ❌ *I don't never go* → ✅ **I never go**

> Не дублюй заперечення: **never** вже означає «ніколи».

GL GoodLang

adverbs of frequency (often, never), circle the correct option
