modal perfects (should have / could have)

ЩО ОЗНАЧАЮТЬ MODAL PERFECTS

Modal perfects — це модальні дієслова з *have + V3*, які використовуються, щоб говорити про *минулі події, що не відбулися або оцінюються після факту*.
Should have = «треба було, але не зробив».
Could have = «могло статися / міг би, але не сталося».

КОЛИ ВЖИВАЄМО

🧭 **Порада або жаль про минуле → You should have told me.**

🎯 **Нереалізована можливість → He could have won.**

⚠️ **Критика після факту → They should have known better.**
