reduced relative clauses

ЩО TAKE REDUCED RELATIVE CLAUSES

Reduced relative clauses — це *скорочені відносні речення*, у яких ми прибираємо *relative pronoun* та *форму дієслова to be*, залишаючи **V-ing** (актив) або **V3** (пасив).

ЯК СКОРОЧУЄМО

🟢 **Актив: who / that + V → V-ing**

🔵 **Пасив: which / that + be + V3 → V3**

⚠️ **Підмет залишається тим самим**

Скорочуємо лише тоді, коли відносне речення *описує іменник*, а не ціле речення.

ТИПОВІ ПЕРЕТВОРЕННЯ

ПОВНА ФОРМА	СКОРОЧЕНА ФОРМА	ТИП
People who live here	People living here	Active
The cars that were produced	The cars produced	Passive
The woman who is talking	The woman talking	Active (to be)

Якщо у relative clause *немає to be*, можемо скоротити лише relative pronoun.
