wish + past / past perfect

ЩО ОЗНАЧАЄ КОНСТРУКЦІЯ WISH

Wish + Past Simple використовується, щоб висловити *жаль або нереальну ситуацію в теперішньому*.
Wish + Past Perfect — щоб висловити *жаль про минуле* (те, що вже неможливо змінити).

КОЛИ ВЖИВАЄМО

- 😔 **Жаль про теперішнє → I wish I knew the answer.**
- ⏳ **Жаль про минуле → I wish I had studied more.**
- ⚠️ **Часто з емоціями: regret, disappointment, sadness.**

Wish не описує реальність — після нього вживаємо форми минулого, навіть якщо говоримо про тепер.

ФОРМИ

Теперішнє	wish + Past Simple	I wish I knew what to do.
