possessive 's

ЩО ОЗНАЧАЄ

's вказує на належність (Mary's book = книга Марі).

КОЛИ ВЖИВАЄМО

Особиста власність: John's phone

Часи/відрізки: today's news

Групи: people's opinion

Для множини, що закінчується на -s, додаємо лише апостроф: *the boys' room*.

ФОРМИ

КЕЙС	ПРИКЛАД
One person	Anna's bag
Plural (-s)	The students' classroom
Irregular plural	Children's toys

Не використовувати 'of' і 's' одночасно: 'the leg of the table' або 'the table's leg' (обидва можливі, але різний стиль).

ПРИКЛАДИ

The teacher's book.
Книга вчителя.

The children's playground.
Дитячий майданчик.

ТИПОВІ ПОМИЛКИ

- ❌ *the childrens' toys* → ✅ **children's toys**.
- ❌ *Johns car* → ✅ **John's car** (потрібен апостроф).

> Апостроф важливий — він змінює значення.
