simple adjectives

ЩО ЦЕ

Adjectives (прикметники) описують людину або предмет: **big, small, happy, sad, tall, nice**.

В англійській прикметники **не змінюються** за родом і числом: ✅ *a big house* / ✅ *two big houses*

КОЛИ І ДЕ СТАВИМО

Перед іменником: a big house

Після to be : She is happy.

Після feel / look / seem: I feel tired.

Не кажемо: ❌ *a house big*. В англійській прикметник майже завжди перед іменником.

ФОРМА

- **Adj + noun:**
  a small dog, *a new phone*
- **Subject + be + adj:**
  He is tall. / *The coffee is hot.*
- **Very** підсилює прикметник:
  very big, *very nice*

ПОРЯДОК КІЛЬКОХ ПРИКМЕТНИКІВ

Якщо прикметників два, зазвичай спочатку йде думка/оцінка, потім розмір/колір:

- ✅ *a nice big house*
- ✅ *a small red bag*

(Для A1 достатньо пам'ятати: **nice** → **big/small** → **color**.)
